News from our Head of School

Allergy Awareness- A reminder that we are an ‘Allergy Aware’ school. We have a number of students who have allergic reactions to a range of things, including some food items, some of them being severe and could be life threatening. It is important that no nuts are brought into school. This includes in lunchboxes and for birthday celebrations. Please check the ingredients and, if in doubt, talk to the class teacher. We also have students who are allergic to other food items so please check with your child’s class teacher before bringing in items to share.

Japanese Lunchbox- On Tuesday 7 June, students will have the opportunity to enjoy a Japanese lunchbox. The lunchbox consists of teriyaki chicken and rice with a few steamed vegetables, and the price is $6. Taku Japanese Kitchen in Mandurah will be the master chef behind this delightful experience of tasting some real Japanese cuisine. A letter with an order form will be sent home this week.

Canberra Fundraiser- We will be selling Cadbury chocolates as our next fundraiser. If you would like to buy or sell a box (or more), please place your order with either Caroline Hayes or Carole in the office. We are hoping to place an order in the next few weeks. The Canberra Camp is taking shape and promises to be a fantastic experience for all those involved. We are fortunate to go to Canberra with our senior students and excitement is already building! More information will follow as the itinerary is completed.

Prayer Points

- We pray for Mrs Anthea Sherwood-Kok, that she continues to make a speedy recovery.
- We pray for those students and parents in our community who are sick, unwell and recovering at home. May you all make a speedy recovery.
- We continue to pray for Mrs Bestford who is recovering from a broken wrist.
- We pray for Amanda, Mrs S’s sister, as she continues her brave fight. Give her strength.

The Computer Lab- Lessons are continuing for Years 1 – 6 in the Computer Room each week with our Computer Teacher, Mr Colin Spadoni. We have enough computers for each student to work independently. Students are learning a range of skills and last week worked on using a Mouse. Mr Spadoni also runs a Computer Club for students from Years 3 – 6 every Thursday lunchtime. All classes have access to the room throughout the week.

Swimming Lessons- Swimming lessons are now in their final week at Mandurah Aquatic Centre. Please remember, students can only be collected from the pool if they have been booked out prior to them leaving school. Students will then take their clothes and bags on the bus. Due to the risk of bad weather, the bus will be collecting and dropping off in the front car park. Blessings, Mrs Caroline Hayes- Head of School.
